

Adult Day Program Services

Rockdale Cares, Inc. partners with InCommunity to provide an adult day program that offers a wide variety of facility and community-based activities. Participants receive support based on their needs and are involved in activities to help them achieve their goals of independent living, personal development, self-advocacy, self-determination, and community inclusion.

Our Place program activities include:

- Program development of social skills
- Pre-vocational skills
- Computer skills
- Health and wellness
- Exercise and fitness
- Safety and mobility
- Communications
- Daily living skills and STEM projects
- Music and art therapy

Contact Erika Slaughter at 678-413-2361 or Obyerika.slaughter@incommunityga.org concerning scheduling tours and admission into the Our Place program.
